The Jenkins Revival the Greatest in History of Baptist Church.

74 ADDITIONS TO CHURCH.

The Services Will Continue Throughout This Week.

The revival at the Baptist church will continue this week and most probably close at the end of the week. It is now entering upon its fourth week, but Dr. Jenkins shows no signs of exhaustion from preaching twice a day, and often three or four times. Sunday his capacity for hard work was shown by a remarkable series of meetings. He conducted a sun-rise prayer meeting at 7 o'clock in the morning, addressed the Sunday-school at 10 o'clock, preached at 11 o'clock, conducted a funeral service at 2 p. m., preached at a great gathering of men at 3 p. m., and held the usual service at 7 p. m. His resources seem inexhaustible and his health is even improving in this "glorious climate of Kentucky" in spite of the severe labors of constant preaching for three weeks.

The Sunday afternoon service was a great personal tribute to the popular preacher. The Elks attended in a body, having notified him of their desire to do so, in a letter thanks adopted by the Lodge because of the postponement of the men's meeting to avoid a conflict with the memorial services a week before. He began by thanking this noble order for the courtesy of the presence of so many of its members, despite the rainy weather. The audience of men and boys filled both rooms of the church. Dr. Jenkins took as his subject the sins of Abba and preached from the text: "They were the ruin of him and all Israel." Like all of his sermons, it was a powerful appeal to all sinners in the kindest and most loving language, not one word of abuse or censure for even the most hardened of sinners. The additions to the church up to yesterday had reached the total of 74, surpassing all revival records in the church. Many years ago Sid Williams held a meeting that resulted in 73 additions to the church, which was the largest number ever taken in at one meeting. Many of the converts were college girls, whose homes were elsewhere, but this time nearly all of the converts are Hopkinsville people. There are yet others who will join and the "Jenkins revival" will go down in the history of the church as the greatest ingathering in the 90 years since its organization. Dr. Jenkins himself joined the church Sunday morning and when the vote was taken it seemed that every person in the church held up a hand.

There are more than 50 converts to be baptized and a part of them will be baptized tonight and the rest Thursday night.

NEW TRAIN

May Not Be Put On Until Next Year.

The new train from Hopkinsville to Evansville, which was spoken of in our issue of last Friday, may not be put on for a while yet. An inquiry at the L. & N. station yesterday failed to elicit definite information as to the time. The train, we learned, will positively be put on, but it may be deferred until the first of the coming year. The advantages to the general business of the city are so obvious that the L. & N. will have the lasting gratitude of all when they see their way to put on the Evansville accommodation.

TODD GOES DRY.

Prohibitionists Sweep the County By 650 Majority.

Todd county voted on Prohibition Friday and the dry side won by 650 majority. Guthrie was the only district in the county that went wet. All of the saloons will quit as soon as their licenses expire. On the same day the towns of Somerset and Falmouth voted on local option and both went for prohibition.

Saturday Whitley, Logan and Ballard counties and the city of Vanceburg, Lewis county, voted against liquor by large majorities. In Ballard the majority was 8,000 and Logan 2,000. There are five saloons in Russellville and one of them will run until Dec. 1, 1907.

AGED CITIZEN

Of Near Garrettsburg Is No More.

Mr. A. C. Bagby, a well known citizen who resided about three miles south of Garrettsburg, just over the line, in Tennessee, died Sunday morning. He was 78 years old and had been in feeble health for some time, but the immediate cause of death was pneumonia. Mr. Bagby was a Virginian, but moved to Kentucky when a young man and later he moved to Tennessee, where he had since resided. He is survived by several children. The interment took place in the family burying ground yesterday.

FIRE ALARM

Saturday Night Caused Great Excitement.

An alarm of fire was turned in Saturday night a little before 6 o'clock. The department answered the call promptly and made a quick run to the residence of Rev. E. Williams, at the head of North Liberty street, but the fire had been put out before the department arrived. In the light of what had occurred at Princeton and numerous absurd rumors of threats of a visit to the city, large crowds rushed out from their homes in the stygian darkness, expecting to see the rising of the curtain for a repetition of the Princeton outrage.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle. Home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

My Grocery is Making Money, Do You Want it?

Nothing but continued ill health would induce me to sell it.

My stand in the Odd Fellows' building is one of the best in the city.

My trade is large, very profitable now and steadily increasing. In fact, it is so large I am not physically able to look after it.

THAT IS WHY I OFFER IT FOR SALE.

I am getting old and must retire from such active employment.

That is my misfortune.

It may be your fortune.

See me if you are looking for a splendid investment on easy terms.

Come and spend a week with me as my guest, stay in the store, look over the books and see how the business strikes you.

Mr. H. L. McPherson,

My Dear Sir:—I received the prospectus of your Lyceum Course. I want to say it is one of the best all round strongest Courses in the country. Your community must surely appreciate your enterprise and good taste in your selection of entertainments. Most cordially yours,

EDWIN P. ELLIOT.

Dear Mr. McPherson:—Under separate cover I am sending you one portrait cut and two plates illustrating the poem "The Cruise of the Good Ship, Little Tot." I trust these will make good material for you.

I can't see a weak number on that Course of yours. It would do credit to any community in the land.

By a great effort I master my desire to say something exclamatory about too much water in Kentucky. I am glad you are go-ahead people in Hopkinsville and do not ever allow the damage to delay your course. Cordially yours,

EDMUND VANCE COOK.

Thanks for your offer of a pianist, but I do not use one—nor the piano, either.
